TransMotion Medical Launches New Web Site

SHARON CENTER, OH – TransMotion Medical, Inc., a leading U.S. manufacturer of mobile, motorized stretcher-chairs for the healthcare market, has launched a new website: www.TransMotionMedical.com. In addition to the dynamic new design, the site has gone from five-pages to a robust 60-page site with comprehensive information on the entire line. New areas of the website include:

- **HOME** page – new Site Search, flash animation demonstrating chair movements and use, ticker for announcements, links to parent company EBO Group Inc and ESOP web sites, Language conversion option
- An in depth **ABOUT US** section, including a new International page
- A more robust **PRODUCTS** section that explains all Stretcher-Chair models and packages
- A new **DEPARTMENTS** page to help visitors quickly locate a model that is appropriate for their dept. We provide a *Most Popular Choice* as well as *Other Recommended Solutions*.
- An **ACCESSORIES** button featuring more than 60 accessories including photos and descriptions
- A password protected section for our sales **REPRESENTATIVES** featuring pertinent TMM data to assist them, including on-line quote request and literature request forms.
- A **MEDIA** page including Literature, White Papers, news releases, etc.
- A more comprehensive **CONTACT US** page, including Service info and credit cards accepted

TransMotion Medical stretcher-chairs are available in more than 130 versatile configurations, this mobile line converts from chair to procedure/stretcher at the push of a button. Designed to reduce, if not eliminate, the need for patient transfer. *One patient, one surface™* – from admission to discharge.

TransMotion Medical, Inc. Stretcher-Chairs can be found in the top-rated hospitals and surgical centers across the United States as well as international markets. Our Vision: To Transform the Way Healthcare Views Patient Movement Through the Care Cycle. TransMotion Medical is a subsidiary of EBO Group, Inc, or Excellence By Owners, a 100% employee owned company.
